## ABOUT THE SOCIETY OF THE HOLY TRINITY

The purpose of the Society is to support Lutheran pastors in being faithful to their ordination vows in a time of doctrinal confusion and moral uncertainty. It also forms pastors in the practice of daily prayer and meditation on Holy Scripture; of using the daily Prayer Offices and the daily Lectionary of the Church; of living a life of obedience to Jesus; of going regularly on retreat; of engaging in mutual pastoral visitation; of using individual confession and absolution; of engaging

in a disciplined study of Scripture, the Confessions, and the Church Fathers; of shaping a parish practice centered in the Word and the Sacraments; and of serving the cause of Christian unity, first, by being an inter-Lutheran organization and, second, by working to heal the breach of the sixteenth century. The Society is not about one thing, but about forming the entire life of the pastor as a pastor.

The format will be 'usual' for a STS chapter retreat: prayer offices, Eucharist, presentation(s), discussion, fellowship, opportunity for individual Confession and Absolution, individual Rite of Healing, etc.
